

Bullying and harassment. They stop here.

**Know
better**

**Be
better**

Every year, one in six healthcare workers report they've been bullied at least once. One in 10 healthcare workers has been sexually harassed. Bullying and harassment can cause serious health issues in our workplace.

We need to work together to stop all inappropriate behaviour. The first step is to recognise what they are. Find out more at health.vic.gov.au/KnowBetterBeBetter
