

What's the difference between reasonable management and bullying?

**Know
better**

**Be
better**

Looking out for subtle instances of bullying and harassment is important but we shouldn't misread reasonable management actions as bullying or harassment. It can be easy to feel hurt by criticism of your work, especially if you're in a stressful workplace environment. To understand the difference between a reasonable management action and bullying or harassment, go to health.vic.gov.au/KnowBetterBeBetter
