Don’t waste a donor’s precious gift this festive season

Will your department have planned service reductions? Will this impact on blood use?

YES
Contact your local blood transfusion laboratory and explain the changes

NO
Order wisely
- Single unit transfusion
- Symptomatic anaemia
- Iron for iron deficiency

A donor’s gift =
- donor’s goodwill
- donor’s time
- manufacturing cost
= $399.25

STOP the waste this festive season
