

Mental Health Professional Online Development

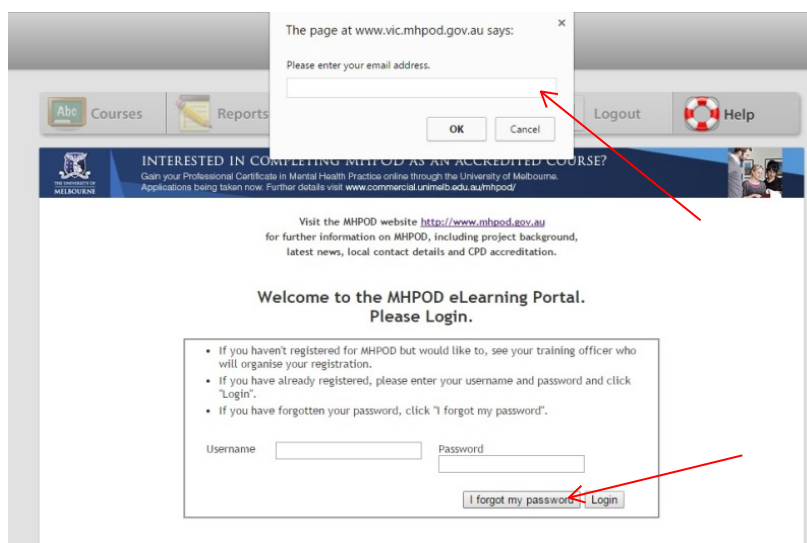

Logging into the MHPOD Learning Management System

To log into the MHPOD Learning Management System (LMS) go to www.vic.mhpod.gov.au and enter your username and password. Initially, when you are first registered, you will receive an email titled “Welcome to MHPOD”, which includes a one-time use link to the LMS. Please click this link and nominate a password in the profile page of the website.

In order to do this, you will need an account registered on your behalf. To obtain an account, please contact your Health Service’s local mental health educator or email mhpod@dhhs.vic.gov.au.

If you have forgotten your username or password, follow these steps:

1. Go to www.vic.mhpod.gov.au
2. Click “I forgot my password” (you don’t need to enter a username or password)
3. If prompted, click on the bar which reads “This website is using a scripted window to ask...etc” and then click “Temporarily allow scripted windows”
4. Click “I forgot my password” again
5. Enter your email address (usually your work email address)

6. Go to your email inbox and open the email with the subject heading “Password Recovery Request for MHPOD eLearning Portal”
7. Click on the long link in the email which starts with <http://www.vic.mhpod.gov.au/profile.html.....etc>
8. Enter a new password, then re-enter the password to confirm and click “Update”

You should now be able to start using MHPOD.

Please see your educator or manager if you need further support. Alternatively, email mhpod@dhhs.vic.gov.au
