

October 2010 for reforms effective 1 January 2011

## Q1 What signs must a certified specialist tobacconist display?

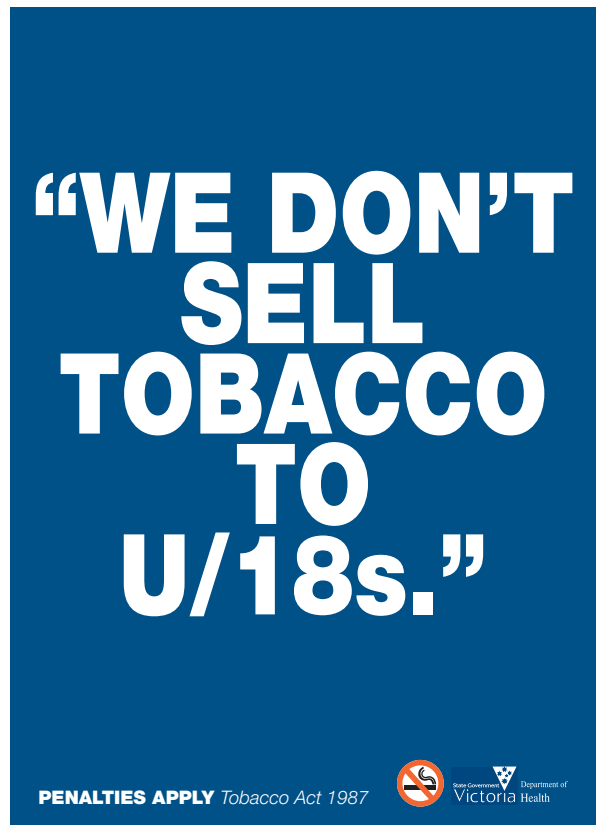

A certified specialist tobacconist must display three signs including:

- one of the A3 size health warning signs; and
- the A4 size 'We don't sell tobacco to U/18's' sign; and
- a certified tobacconist certificate.

Each sign below is A3

Below sign is A4

Certified tobacconists must also display their certificate

Signs may be obtained from the Tobacco Information Line on 1300 136 775.
