----------------------	----------------------	----------------------	----------------------

To receive government funded vaccines, I agree to:

1. Immediately check the TagAlert® temperature indicator with the delivery.
2. Immediately notify Onelink using the TagAlert® form if the LCD is not displaying 'OK'.
3. Comply with the **National Vaccine Storage Guidelines, Strive for 5, 3rd edition** - use a purpose-built vaccine refrigerator, a data logger set at 5 minute intervals which is downloaded weekly or after a temperature excursion and maintain the fridge temperature between 2°C and 8°C.
4. Undertake a vaccine cold chain audit on request of the government.
5. Comply with mandatory reporting of vaccine to the Australian Immunisation Register.
6. In the event of a cold chain breach, do not discard or administer any vaccines, until checking the [cold chain management section](https://www2.health.vic.gov.au/public-health/immunisation/cold-chain-management) for action <<https://www2.health.vic.gov.au/public-health/immunisation/cold-chain-management>>.

Distribution of health care worker influenza vaccine will commence after Easter 2021.
