Contact details

The Data Collections unit manages several Victorian health data collections including:

- Victorian Admitted Episodes Dataset (VAED)
- Victorian Emergency Minimum Dataset (VEMD)
- Elective Surgery Information System (ESIS)
- Agency Information Management System (AIMS)
- Victorian Integrated Non-Admitted Health Minimum Dataset (VINAH)
- F1 data collections (technical support)

The HDSS Bulletin is produced at intervals to provide:

- answers to common questions recently directed to the HDSS help desk
- communication regarding the implementation of revisions to data collection specifications, including notification of amendments to specified data collection reference tables
- feedback on selected data quality studies undertaken
- information on upcoming events
