

Government Vaccine Order Form Victoria

Government account number:

Hospital order number: _____

Forward order form to *Onelink*.

E: orders@onelink.com.au (order receipt issued) *OR*

F: 1300 682 507

Delivery enquiry T: (03) 8588 1042

Please allow at least 3 business days (5 days during 'flu' season) for processing and delivery.

Consolidate your order to only order monthly.

To receive government funded vaccines, I agree to:

1. Complete this form accurately.
2. Complete the number of doses in stock (MANDATORY field).
3. Immediately check the TagAlert® temperature indicator with the delivery.
4. Immediately notify *Onelink* using the TagAlert® form if the LCD is not displaying 'OK'.
5. Comply with the **National Vaccine Storage Guidelines, *Strive for 5, 3rd edition*** – use a purpose-built vaccine refrigerator, a data logger set at 5 minute intervals which is downloaded weekly or after a temperature excursion and maintain the fridge temperature between 2 °C – 8 °C.
6. Store only 1 month of vaccine stock plus a small buffer, do not overfill the fridge shelves.
7. Report all immunisation encounters to the Australian Immunisation Register.
