Issue 18: February 2015

Attention CMI Coordinators**Recording 'Mental Health and Police Response' activity****Background**

The 'Mental Health and Police Response' initiative began a staged implementation during 2014. The program is intended to deliver targeted responses to people needing urgent mental health support in the community. Service hour targets have been set for this activity commencing from 1 January 2015.

To facilitate the recording of this activity on the CMI/ODS, three new Program Type category codes have been established.

Specific Program settings for Mental Health and Police Response are as follows:

- **Program Classification:** Community
- **Program Type:**
 - Community Mental Health and Police Response – CAMHS (CPR1)
 - Community Mental Health and Police Response – Adult (CPR2)
 - Community Mental Health and Police Response – Aged (CPR3)
- **Funding Source:** Triage Consultation and Liaison (15204)

Please note, there are no changes to the recording of contacts.

Existing business rules for subcentres, programs and contact recording can be found here: www.health.vic.gov.au/mhdr-info/rules.htm.
